MEDICINAL.

There's a greater demand made on the strength of the mother when prescribing than at any other time. She has just gone through the shock and strain of maternity, her vitality is at its lowest and the food she eats must nourish two lives. The natural result is that the mother looks around for a "tonic," and generally finds her tonic in the form of a stimulant, which not only gives the mother no real strength but is an injury to the child.

It is the concurrent testimony of women who have used Dr. Pierce's Favorite Prescription, that it is the most perfect preparation for motherhood, and all its functions which have ever been discovered. It prepares the way for baby's advent, giving the organs of birth vigor and elasticity. It establishes such a condition of health that nervousness, anxiety and morning sickness are unknown. With this condition comes healthy flow of nourishment for the child, which enables the mother to gratify the fondest instinct of maternity.

"Two years ago I used two bottles of Doctor Pierce's Favorite Prescription, and in April a fine baby was born, before the doctor came, writes Mrs. Katie Aulker, of 724 Pat Street, Alliance, Ohio. 'I was not very sick. Baby is now 18 months old and weighs 30 pounds. Now I expect another about August, and I am again taking the 'Favorite Prescription' and feel very well. Several neighbors are using Dr. Pierce's medicine through my telling them about it. One lady says, 'before commencing Dr. Pierce's Favorite Prescription I had to vomit every day, but after I got the medicine, from the first day I took it, I stopped vomiting. It has done the same thing for me. It is a God-send for women.'"

No alcohol in any form, is contained in "Favorite Prescription," neither opium nor other narcotics. This cannot truthfully be said of any other medicine especially designed for women and sold through druggists.

Sick women are invited to consult Dr. Pierce by letter, free of all charge. Every letter is treated as strictly private and strictly confidential, and all replies are enclosed in plain envelopes, bearing no printed matter whatever. Address Dr. K. V. Pierce, Buffalo, N. Y.

ARLINGTON INSTITUTE.

The closing exercises of Arlington Institute took place yesterday. At 9 a. m. the report for the year's work was read to the assembled school, after which the court scene from Shakspeare's "Merchant of Venice" was rendered with spirit by the nine girls of the graduating class. The school reassembled at 7 p. m. for the closing entertainment in the parlors of Arlington Institute, which were beautifully decorated with daisies, roses, laurel, palms and carnations. The entertainment opened with a flag drill by the fourteen members of the primary drawing class. Each child carried a red and gray flag, the school colors, on which were the words "Arlington Institute." This was followed by a French song and dance by the first junior class. It was made very attractive by the wreaths and garlands of daisies which the children used in the different figures. A French play, "La Mouselle des Artistes," was then given by the second and third junior classes. The play showed a little of the Bohemian life among artists in Paris. Where the scene opens the girls appear in their student gowns and caps of different colors and are all busily engaged in their different pursuits, when they are suddenly interrupted by the proprietor, Monsieur Ducros, who comes to collect his rent, which is decidedly in arrears, and his appearance causes great excitement among the unlucky students, but finally, after much fussing, they settle their accounts amicably and return to their former occupation. Miss Julia Demaine read a very good composition on "The Voices of Nature," and Miss Lelia Steiner and Miss Mary Bentley played a duet from Carmen. Miss Nellie Under then received a diploma prize, after which a certificate of the year's work, according to the standard attained, was given to each member of the school, and Miss Bessie Griffith was presented with an excellence medal for her perfect attendance, perfect conduct and lessons throughout the entire year. The nine girls of the graduating class, Misses Annie Ashley, Bessie Griffith, Cornelia Lee, Elizabeth Hopkins, Eliza Under, Mary Mays, Eliza Marshall, Elizabeth Herbert and Florence Davidson, then received their gold graduating medals. After refreshments were served the school dispersed, and min led with the hope of being together next year was the joyous anticipation of their well-earned vacation.

The graduates of nineteen hundred bid farewell to Arlington Institute, with a deep sense of gratitude and love to their kind teachers for the thorough course of instruction, and lovingly extended to the teachers the many happy years they have spent under their guidance.

May those who follow us fully appreciate the advantage and pleasure of being pupils of Arlington Institute, the sincere wish of the graduates of nineteen hundred.

"Farewell! a word that must be, and hath been--
A sound that makes us linger, yet--farewell!"

CHOPPED OFF HEAD OF A PLAY-MATE--Eight Indians and one child were killed yesterday at Stockbridge, Oneida Indian reservation, Wis., in a peculiar manner. A squaw went into the yard where several children were playing, caught a chicken and chopped off its head, leaving the hatchet on the ground. The children prepared to imitate the woman. One, selected to act the part of the chicken, was seized, its head placed on a block and beheaded. A number of men engaged on a derrick in the yard raising heavy timbers in the erection of a barn, seeing the child beheaded, became panic-stricken. The heavy timbers fell with a crash, killing eight men.

QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Bileousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and to regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by Ernest L. Allen, Claude M. Lennon, Warfield & Hall, Charles G. Lennon, W. F. Creighton & Co., and Richard Gibson.

Starvation never yet cured dyspepsia. Persons with indigestion are already fastidious. They need plenty of wholesome food. Kodon's Dyspepsia Cure digests what you eat so that dyspepsia can be nourished while the worn organs are being reconstructed. It is the only preparation known that will instantly relieve and completely cure all stomach troubles. It is certainly doing you good.
